

## **Minkoff, Gowens Tour Phenom 100 Test Aircraft**

Bill Minkoff, JetQuik's President greets Cameron Gowens, Regional Sales Manager for Embraer as they tour the Phenom100 in Dallas. This airplane is the third aircraft to enter the Phenom flight test program. Embraer has completed hundreds of hours of flight testing in preparation for the first Phenom 100 delivery scheduled for September, 2008.
