

JetQuik begins delivery process for Embraer Phenom 100 SN 0028.

Scheduled for acceptance and delivery beginning May 25, SN 0028 will be delivered to a North American customer. Please follow the excitement by selecting Bill's Journal for a narrative of the acceptance and delivery process.

JetQuik offers the option of a firm delivery quotation, or if you prefer, delivery for service plus expenses. We believe that we are the most reliable, lowest cost and most experienced delivery service available.

Captain Bill Minkoff is an FAA certificated Airline Transport Pilot with Instrument, Multi-Engine, Turbine and Embraer EMB-500 experience. Bill's experience with business jet aviation extends over 30 years beginning with a type rating in the Rockwell Sabreliner in 1978. Bill served in the US Navy as an A-7E Attack Pilot and gained international experience as a Delta Airlines Line Check Pilot and International Captain with training specific to South American operations.

Mr. Stear has over 30 years experience in the aviation industry with Learjet, Cessna and most recently a Regional Sales Manager with Embraer Executive Jets where he was responsible for the sales of dozens of Phenom 100 and Phenom 300 aircraft. He has extensive sales, contracts, delivery and technical experience and holds a bachelors degree in Aerospace Engineering.

JetQuik's delivery services includes pilot services and administration of your aircraft's Acceptance Flight Test and re-fly/ retest as necessary. JetQuik provides a fully trained, type rated pilot in command for all ferry flight segments from the Embraer factory to your final delivery location. The firm quote for services includes administrative coordination of all pre-delivery and delivery activities with Owner, Owner's Attorneys, Accountants, Bankers, Pilots, Insurance Agent, Title Transfer Agent, as well as Flight Planners, Dispatchers, Handlers, Customs Agents, Embraer Contracts, Engineering, Training, Flight Operations, Configuration, Manufacturing, Flight Test and Delivery Specialists and Management.
